Great all-round jacket you can
always carry in your pack.

1-4 Weeks

Description

With its minimal weight and bulk Windrunner is a great all-round piece you can always carry in your pack. Featherlight nylon fabric with dense weave offers excellent protection from wind and has a good, easy-to-reapply DWR coating. Its perfect for athletic activities such as running, as the mesh vents under the armpits and mesh inner pocket provide good airflow channels. Windrunner windshirt performs equally well in cold weather when worn over warm fleece jackets, as it adds wind and light rain resistance as well as prevents body heat from escaping.

Features:

- Doubly-adjusted hood with laminated visor
- Armpit ventilation slats covered with mesh
- Large front channel pocket zippered on either end allows hands to be warmed and small items organized
- Elbow reinforcements
- Elastic sleeve cuffs
- Bottom adjustable by elastic drawstring
- Integrated mesh pocket with compression ribbon loop (doubles as
