### Description

#### TF-2215 Waterproof Hardshell Jacket

The TF-2215 Waterproof Hardshell Jacket is designed for harsh weather conditions, making it an essential outer layer for outdoor activities, tactical operations, and hiking adventures. This lightweight jacket provides superior protection against rain and wind while maintaining breathability for all-day comfort.

#### Key Features:

- **Waterproof Protection:** 10,000mm water column ensures complete rain resistance.
- **Breathability:** 5,000g moisture permeability to keep you dry from the inside out.
- **Durable 3-Layer Shell:** Combines windproof, waterproof, and breathable properties.
- **Taped Seams:** 100% waterproof design to prevent water penetration.
- **Lightweight & Packable:** Easy to carry and store in your backpack.
- **Ripstop Fabric:** Enhanced durability against rough outdoor environments.

#### Material Composition:
