Description

Shirts are one of the most popular types of clothing nowadays, perfect not only for official events, but also for everyday use. Our Defender Mk2 City Shirt is this type of shirt. Made of lightweight, elastic fabric composed of nylon and polyester. This quick-drying fabric provides a great breathability, while UPF30 index gives you a proper UV protection.

The overall cut of the shirt is the same as in our classic Defender Mk2 shirts. The shirt is buttoned with the subtly Helikon-Tex® branded buttons. On the chest there are two flapped pockets closed with hook&loop tapes. Under them, there are additional flat pockets closed with YKK® zippers.

Features:

- Breathable and quick-drying
- UPF30 fabric
- Constructed of elastic fabric
