Description

Cold Steel's sub-hilt knives offer all the advantages and performance of a custom knife, with the additional advantage of being low in cost.

The blades are made of Japanese AUS 8A stainless steel and are given a state-of-the-art heat-treatment that includes double tempering, assuring that they are unsurpassed in strength and toughness.

The grip on these blades is a model of efficiency and economy. The handle, guard and sub-hilt are injection-molded in one integral piece out of Kray-Ex™. This reduces cost, yet delivers the durability, security and control a sub-hilt is famous for. And, as an added bonus, renders the handles impervious to moisture or inclement weather.

Inspired by the formidable combat knives of World War II and honoring the name of Merrill's Marauders [?] also known as Code name *Galahad*, the United States renowned long range, deep penetration assault unit within the South East Asian theater of conflict [?] Cold Steel's Marauder Bowie is rugged, relentless and reliable. A true battle ready Bowie.

Its huge, extra broad, razor sharp Japanese AUS 8A blade, with its continuously curved cutting edge, deep wide blade bevels and formidable

clip will cut, hack, shear, chop, slice and pierce with equal ease. During the intensive and torturous performance testing of this new Bowie, Cold Steel's company President simply uttered one word: Beastly.

Its sturdy and versatile Secure-Ex™ sheath allows the knife to be fastened comfortably and securely on a belt or pack, or LBV.
