Description

Cold Steel Special Forces Spetsnaz Shovel

Cold Steel® Special Forces Spetsnaz® Shovel is modeled after the original Soviet Spetsnaz military entrenching tool, used by the elite Spetsnaz soldiers of the Soviet Army, comparable to the U.S. Green Berets. This durable and highly effective shovel is a versatile tool designed for a wide range of outdoor tasks and defense.

Key Features:

- **Durable Construction:** Features a stout hardwood handle and a broad, flat blade made of medium carbon steel with 3 sharp edges for heavy-duty performance.
- **Versatile Usage:** Ideally suited for digging foxholes and bunkers, chopping branches, building shelters, acting as an improvised paddle, or even serving as a last-resort weapon of defense.
