Description

Sports compression socks with antibacterial properties, they are quick-drying and breathable.

They perfectly adapt to the shape of the foot and are reinforced in places where abrasions occur, thus protecting the feet against blisters and calluses.

The material composition guarantees breathability and the ability to wick away moisture and sweat.

The socks are environmentally friendly and made in Europe.

Material: 70% polyamide (Microfibre), 25% polypropylene (Siltex AG+), 5% elastane.

Made in Poland.
