Description

Dedicated to people who practice various types of running sports. The sock has been made in accordance with the highest quality standards, using technologically advanced machines. The toes and heels are made of polyamide, which ensures high resistance to mechanical damage. When producing socks, Mondo Calza, as always, focused on convenience and comfort of use, which is why high-quality materials have been used. **In addition to the technical aspects, the aesthetic and interesting appearance** , thanks to which the socks will become a **fashionable complement to any outfit** .

- Smoothed seams in the toe area keep you comfortable.
- Strengthening around the toes and heel.
- Elastic ribbing for comfort and cushioning.
- Dual elastic drawstring keeps the sock in place.
- Antibacterial.
