Description

Meet CRKT Ripsnort II. Made from 8Cr13MoV, the solid mutton blade is based on a butcher's ax and has a slightly curved cutting line for pulling cuts. The blade opens with one hand using the thumb pin. The black FRN plastic handle scales are extremely durable and the stainless steel insert adds an elegant look to the design. The blade is locked with a spacer retainer, and the clip (drop down) and lanyard hole further increase functionality.

• Overall Length: 21,00 cm

• Blade Length: 8,80 cm
