Description

Great for cutting fishing line, rope, netting and fins! This Titanium Bonded 8" Snip has blades that are 3x harder than untreated steel and will stay sharper for a longer period of time. Features an internal spring system, integrated wire cutter and a micro-serrated edge for increased cutting performance. The full-tang construction is visible through the Cuda scale pattern, non-slip handle grips.

- Titanium Bonded blades stay sharper longer
- Cuts fishing line, rope, netting and fins
- Visible full-tang, stainless steel construction
- Non-slip Cuda scale pattern grips
- Micro-serrated edges & Lifetime Warranty

The Cuda® brand was designed with the strength, power and agility of the Barracuda. Cuda fishing products are built for the ultimate in fresh and saltwater fishing and will continue to perform over time. Featuring Titanium Bonded steels and Alloys, Cuda tools provide world class hardness, corrosion and adhesive resistance.

The Titanium Bonding process guarantees the steel to be three-times harder than untreated steel. Cuda fishing tools are designed by professionals and thoroughly tested in both salt and fresh water environments, providing the highest quality and reliability.
