Description

CVN Medical Solutions' high-quality 4-inch (10 cm) Tactical Responder Bandage is a high-quality bandage and the best solution for treating single or multiple wounds.

With Tactical Responder Bandage, injuries can be effectively treated from small to large wounds, excision wounds and amputations.

The bandage has a plastic film (42 cm x 42 cm) for e.g. treating burns, abdominal and chest injuries.

The CVN 4 Tactical Responder Bandage is the ideal bandage for military and tactical forces when supplies are limited. The Tactical Responder Bandage is easy to use and has several features that may be necessary in field conditions.

- Guaranteed sterility in unopened and undamaged packaging
- Gamma sterilized
- Does not contain metal
- 8-year shelf life

Tie size: 10 cm x 4.8 m

Package size: approx. 11 cm x 8 cm x 4 cm

Weight: approx. 100 g

Color: Green

CE
