Description

CVN Medical Solutions' high-quality 4-inch (10 cm) Responder Bandage is quick and easy to use. The bandage is designed to prevent life-threatening bleeding. With its innovative design, it is the ideal pressure bandage for various profusely bleeding wounds.

The pressure bar applies pressure directly to the leaking wound, the stopper secures the bandage and the non-stick wound pad reduces the bandage sticking to the wound.

- Gamma sterilized
- Does not contain metal
- 8-year shelf life
