Description

CVN Hexagon Chest Seal is ideal for treatment of wounds in the open chest area. The strongly adhering hydrogel adhesive allows it to adapt perfectly to the skin surface. Because of the two-part plastic cover, the attachment of the Chest Seal is really easy and fast. Thanks to the Hexagon shape, the product has a wide coverage area. The package contains two Chest Seals separately packed, so you can use only one if needed.

ISO: 13485

CE-Certified

FDA approved

Barcode: 6429810144324

- Light, Compact and Durable
- Self-adhesive
- Long shelf-life

NSN: 6510-58-001-8008
