Description

CVN IFAK - Advanced First Aid Kit

Description:

The CVN IFAK - Advanced is an essential first aid kit designed for soldiers, police operators, and other members of the forces who face high-risk situations involving gunshots and explosive fragments. This kit provides advanced medical supplies to manage severe injuries effectively on the field.

Key Features:

- **Purpose-Built for High-Risk Scenarios:** Tailored to address high-energy wounds, including gunshots and shrapnel injuries.
- **Durable and Accessible:** Comes in a robust pouch with a TQ holster for quick access and reliable storage in extreme conditions.
- **Comprehensive Emergency Supplies:** Includes vital tools and dressings to manage critical injuries until further medical help is available.

Contents:

- **Pouch with TQ Holster**
- **CVN Chitosan Haemostatic Dressing x 1:** Stops severe bleeding quickly.
- **CVN Hexagon Chest Seal VENTED x 1 (Twinpack):** Effective in treating open chest wounds.
