CVN IFAK - Stop the Bleed First Aid Kit

Description:

The CVN IFAK - Stop the Bleed is a vital first aid kit designed specifically for soldiers, police operators, and other members of the forces who encounter high-risk situations involving gunshots and explosive fragments. This advanced kit provides crucial medical supplies to effectively manage severe injuries in the field.

Key Features:

- **Designed for High-Risk Scenarios:** Specifically tailored to treat high-energy wounds such as gunshot and shrapnel injuries.
- **Robust and Accessible:** Encased in a durable pouch with a TQ holster for rapid access and reliable storage under extreme conditions.
- **Comprehensive Emergency Supplies:** Equipped with essential tools and dressings to manage critical injuries until professional medical help is available.

Contents:

- **Pouch with TQ Holster**
- **CVN4 Responder Bandage x 1:** Versatile bandage suitable for various
