Needle Gauge	14G
Total Length	14.3 cm
Needle Length	8.8 cm
Needle Diameter	1.15 mm
Weight (with shell)	14 g
Material	Stainless steel
Shelf Life	5 years from manufacturing date
Product Code	H5000-4012D
UDI	06974582640289
NSN	6515-01-541-0635
Certification	CE-marked medical device

Typical Uses

- Tension pneumothorax decompression
- Tactical and military medical kits
- Advanced life support (ALS) kits
- Prehospital emergency care

Important Information

This product is intended for use by **trained medical professionals only.**
