Description

Defcon 5 Low Profile Tactical Belt set with Austrialpin Buckle

The **Defcon 5 Low Profile Tactical Belt** is a robust and versatile duty belt designed for military, law enforcement, and outdoor professionals. It combines a **MOLLE-compatible outer panel** with an **inner tear-away belt** for quick donning and removal. The system provides both stability and adaptability, allowing for the secure attachment of pouches and holsters while maintaining comfort during long hours of wear.

Aim of the Product

This tactical belt system is built to **maximize operational efficiency** while maintaining a low profile. It provides a stable platform for carrying essential gear while remaining lightweight and flexible, reducing fatigue during extended use.

Audience

Ideal for **military and law enforcement personnel**, as well as **security operators, tactical trainers, and outdoor enthusiasts** who require dependable gear that balances performance, safety, and ergonomic comfort.

Product Features

- **Outer belt** with external **MOLLE panel** for pouches, holsters, and

accessories.

- **Austriapin buckle** - black matte anodized, compliant with ANSI/ASSP Z359.12-2019 and CSA Z259.12-2016 standards.
- **Inner tear-away belt** designed for use directly on pants, enabling fast donning or removal of the outer belt.
- Lightweight yet durable construction with high-tensile **polyester webbing**.
- **Low-profile design** enhances mobility and reduces interference with tactical vests or plate carriers.

Specifications

Weight	0.45 kg
Height	5 cm
Main Material	Polyester
Buckle Type	Austriapin Black Matte Anodized
Certifications	ANSI/ASSP Z359.12-2019, CSA Z259.12-2016

Product Use

The inner belt is threaded through the trouser loops and secured with Velcro. The outer MOLLE belt attaches over it, ensuring a secure and stable setup. The quick-release Austriapin buckle allows rapid fastening and removal without compromising strength or reliability. Perfect for tactical operations, range training, and outdoor activities requiring modular gear setup.

About the Manufacturer

Defcon 5 is an Italian company specializing in high-performance military and tactical equipment. An official **supplier to NATO Armed Forces**, Defcon 5 operates under the **Fox Group** and has been a benchmark in the defense and outdoor industry since 2006. The company combines **Italian engineering, advanced ergonomics, and strict quality standards** to produce field-proven gear used by professionals worldwide.
