Adjustable pistol holster to fasten with the Molle system.

Description

The semi rigid holster can be fixed on any MOLLE system, both for right and left-handed people. The holster is light as much as sturdy and it is compatible with most of the automatic handguns in regular equipment. The three main features are: weight, restricted encumbrance, compatibility with MOLLE system and price. The grip of the weapon is ensured by Velcro. It is possible to hook the holster on a plates carrier.

The name Shadow stands for new gear line which is developed together with Lab Tac (France) which is a company specialized in technical training of security and defence of people and goods. These courses are planned for law enforcment, military, security agents and individuals. Properties:
