back, and shoulders provides comfort and breathability even during extended wear.

- **Adjustable Fit:** Easily adjustable with Velcro straps at the shoulders and a special strap at the back for a secure and custom fit.
- **Ballistic Plate Pockets:** Designed with front, rear, and side pockets to accommodate ballistic plates, offering full-body protection.
- **Quick Release System:** Quick-release buckles on both shoulder straps allow for fast removal in emergency situations.
- **Modular Design:** Equipped with a detachable soft panel with Duraflex clip and Velcro for attaching various tactical pockets. Customizable panels can be swapped depending on the mission requirements.
- **Detachable Backpack:** The plate carrier includes a detachable backpack with MOLLE attachments. The backpack has a main pocket for a hydration bladder and smaller secondary compartments for additional gear.
- **Hydration Compatibility:** The backpack features protected openings for hydration tubes, allowing easy integration with hydration systems.

Specifications:

- **Weight:** 2.10 kg
- **Material:** 900D Denier Polyester
- **Buckles:** DURAFLEX buckles for secure attachment
- **MOLLE System:** MOLLE panels on both the vest and backpack for attaching additional pouches and gear
- **Backpack Features:** Includes a pocket for hydration systems

The **DEFCON 5 Tactical Plate Carrier + Backpack** is the ultimate tactical solution, providing durability, versatility, and comfort for high-performance missions. Whether for military, law enforcement, or tactical use, this plate carrier and backpack combo ensures you're equipped with everything you need for success in the field.
