### Description

Thunder Vest is built in 900 Denier polyester and each seam is reinforced to ensure maximum resistance in times of high activity.

The system of internal padding on the chest, back and shoulders, allows you to wear the Thunder Vest proving maximum comfort and breathability.

The size can be adjusted to shoulder height by means of Velcro straps and on the back by traction of an elastic band.

Ballistic plates can be inserted in the appropriate pockets.

Thunder Vest is equipped with a detachable MOLLE panel with Duraflex clip and Velcro, on which several tactical pockets are fixed; It is therefore possible to compose multiple panels (sold individually) as desired and choose the most suitable according to the situation.

- Water repellent fabric
- 900D polyester
- YKK buckles
- Molle system
- Weight: 1.00 kg
