Description

Deuter GOGO Lifestyle Rucksack

The **Deuter GOGO Lifestyle Rucksack** is the modern evolution of a true backpack classic. Designed for *school, office, and sports*, the new GOGO has been updated with a **sleeker, slimmer, and more technical design**, ensuring both style and function. Its ergonomic fit hugs the back comfortably, and the backpack can also be upgraded with an additional hip belt for extra stability when needed.

Key Features

- **Deuter Airstripes Back System:** Innovative back padding with ventilation channels and Wide-AirMesh ensures constant airflow, reducing sweating while keeping the pack secure and close to the body.
- **PFAS-Free Production:** Made without per- and polyfluorinated chemicals. Instead, treated with eco-friendly, durable water-repellent (DWR) impregnation for water, dirt, and oil resistance without harmful substances.
- **Modern & Versatile Design:** Suitable for school, commuting, office use, and sports activities.
- **Optional Hip Belt:** Can be retrofitted for additional stability.
