## Description

A popular sharpening choice, this DMT® Diamond Whetstone™ sharpener is a fit at home or in the shop offering a sharpening surface to satisfy a variety of edge care needs. This 6" Diamond Whetstone™ sharpener comes in a plastic case with mounting capability. Includes non-skid rubber feet. The stone measures 152 mm x 51 mm x 19 mm.

**Choose from the following grits:**

- Extra-Coarse diamond (60 micron / 220) when significant removal of material is needed for damaged edges.
- Coarse diamond (45 micron / 325) to quickly restore a neglected edge.
- Fine diamond (25 micron / 600 mesh) for a razor sharp edge.
- Extra-Fine diamond (9 micron / 1200 mesh) to polish and refine a razor edge after sharpening with a coarser diamond.

Sharpening with diamonds is fast and easy. No messy oils needed—sharpen dry or with water. Durable construction will provide years of consistent performance and reliable service. For proper tool maintenance, woodworkers, chefs and other professionals rely on the superior quality and versatility of DMT® products. Made in USA.

- Perfect fit at home or in the shop offering a sharpening surface to
