## Description

Innovative, multi-patented DuoSharp® Bench Stone is a precision flat, two diamond surfaced sharpener guaranteed to provide consistent, even sharpening every time. 8" DuoSharp® Bench Stone is an excellent counter and bench sharpener, with a larger, wider diamond surface for sharpening a variety of edges. Choose from the following grit combinations: coarse/extra-coarse, fine/coarse, extra-fine/fine or extra-fine/coarse. The model comes with the Bench Stone Base Accessory.

### Grit Descriptions:

- Extra-Fine diamond (9 micron / 1200 mesh) to polish and refine a razor edge after sharpening with a coarser diamond
- Fine diamond stone (25 micron / 600 mesh) for a razor sharp edge.
- Coarse diamond stone (45 micron / 325 mesh) to quickly restore a neglected edge.
- Extra-Coarse diamond (60 micron / 220) when significant removal of material is needed for damaged edges.
