Magna guide set with
Fine/Extra Fine Double Sided
Diafold® Sharpener.

1-4 Weeks

Description

It's a natural! The Double Sided Diafold® Sharpener offers portable, two-stone sharpening at its best, the Aligner™ Blade Guide (ABG) provides 7-Angle adjustability for the right edge every time, and the MAG - Magnetic Angle Guide joins the two! The Double Sided Diafold® Sharpener offers two 4" x 1" Diamond Whetstone™ surfaces in one lightweight, portable sharpener. Multi-use on blades, kitchen knives, specialty and garden tools, etc. It's conveniently sized at 9 1/2" when open and 5" when closed. Folding plastic handles protect the sharpener when not in use. Both novice and professional will appreciate the Aligner Blade Guide to create precise, professional, consistent sharpening results. Accommodates wider blades as well as standard blade thicknesses. Easy-to-follow instructions included.

Available with the following grits:

- Extra-Fine diamond (9 micron / 1200 mesh) to polish and refine a razor edge after sharpening with a coarser diamond.
- Fine diamond (25 micron / 600 mesh) for a razor sharp edge.
- Coarse diamond (45 micron / 325 mesh) to quickly restore a neglected edge.
