Description

Diamond Angler Mini-Sharp® Sharpener with special fishhook groove is easy to carry and makes it easy to maintain hooks and fillet knives! Folding handle protects the stone when not in use. Lightweight and ultra portable, use the key chain swivel ring for your keys or attach to zipper pulls or backpacks. A handy size for a variety of uses, the sharpening surface measures 2-11/16" x 15/16". Overall, the Mini-Sharp® is 1/4" thick x 1-1/8" wide x 6" long when open and 4" long when closed.

Grit Descriptions:

- Coarse diamond (45 micron/ 325 mesh) to quickly restore a neglected edge.
- Fine diamond (25 micron / 600 mesh) for a razor sharp edge.

Sharpening with diamonds is fast and easy. No messy oils needed -- sharpen dry or with water. Durable construction will provide years of consistent performance and reliable service. For proper tool maintenance, woodworkers, chefs and other professionals rely on the superior quality and versatility of DMT® products. Made in USA.
