Description

Innovative, precision flat two grit diamond sharpener featuring both interrupted and continuous diamond sharpening. 8" DuoSharp Plus Bench Stone with non-skid mat provides excellent counter and bench sharpening, features two sides of 6" x 2 5/8" interrupted diamond surface sharpening— perfect for knives, scissors, and tools PLUS the benefits of a continuous zone for small and pointed tools. Sharpening with diamonds is fast and easy. No messy oils needed—sharpen dry or with water. Durable construction will provide years of consistent performance and reliable service For proper tool maintenance, woodworkers, chefs, and other professionals rely on the superior quality and versatility of DMT products.

- Precision flat, double surfaced sharpener guaranteed to provide consistent, even sharpening every time
- Grit size: Extra fine (3000 - 5000), Ultra fine (5000+)
- Sharpens knives faster than conventional stones with DMT's micronized monocrystalline diamond surface
- No oil needed, sharpen dry or with water
- Size: 26 x 7,3 x 1,27 cm

Made in the USA.
