Description

Duracell Procell Alkaline Constant AAA (1.5 V) - 10-Pack

The Duracell Procell Constant AAA battery is an industrial-grade alkaline cell optimized for low-drain devices that draw steady current over extended periods. Ideal for equipment such as security keypads, remote controls, and glucometers, these batteries offer longer-lasting power (versus prior Procell Alkaline AAA) - reducing the need for frequent replacements and helping businesses cut operating costs.

Key Benefits

- **Optimized for Low Drain:** Delivers reliable, long-term performance in devices with a constant, moderate power requirement.
- **Procell Dual Portfolio:**
 - **Procell Constant:** Suited for low-drain professional devices. Switching to Procell Intense! System can help you save up to 25% (estimated) in battery costs.

ORDER CONFIRMATION

- **10-Year Shelf Life:** Guaranteed power retention for a decade in storage.
- **Superior Cell Design:** Ensures robust quality and performance in professional environments.
- **Operating Temperature Range:** Reliable from -20°C up to +54°C.
- **Cost-Effective Bulk Packaging:** Individually date-coded for efficient inventory management.

Product Details

- **Model / Manufacturer Code:** MN2400
- **Designation:** LR03 / AAA / R03 / MN 2400 / Micro / AM4 / E92
- **Voltage:** 1.50 V
- **Diameter:** 10.5 mm
- **Height:** 44.5 mm
- **Weight (approx.):** 11 g each
- **Pack Size:** 10 pcs per carton
- **Expiry Date:** 2032 (with a 10-year guaranteed shelf life)

For more technical information, refer to the [Procell Constant AAA Datasheet](#).

Procell Constant & Intense Comparison

- **Procell Constant (LR03 / AAA):** Best for low-drain, long-duration devices, e.g., thermostats, remote controls, keypads.
- **Procell Intense:** Targeted toward high-drain usage, like motorized equipment or sensor-driven devices.
