Description

Duracell Procell Intense LR03 AAA Alkaline Battery (10-Pack)

The Duracell Procell Intense AAA is an industrial-grade alkaline battery, engineered specifically for professional devices requiring high or pulse power draws—such as electronic door locks, flashlights, blood pressure monitors, and soap dispensers. This enhanced Intense version outlasts standard Procell batteries in power-hungry applications, helping businesses reduce battery replacements and lower operating costs.

Key Benefits

- **Longer-Lasting Power:** Delivers improved longevity versus prior Duracell Procell Alkaline AAA batteries in high-drain settings.
- **Cost Savings:** Using Procell Constant for low-drain and Procell Intense for high-drain devices can cut battery expenses by up to 20% (based on manufacturer estimates).
- **Durable Construction:** Designed with an enhanced cell design,

guaranteeing consistent, reliable performance even in tough environments.

- **10-Year Shelf Life:** Reliable for a decade in storage, reducing waste and improving inventory management.
- **Professional-Grade:** Trusted worldwide by manufacturers to power demanding electronics in enterprise environments.
- **Wide Operating Temperature:** Functions effectively between -20°C and +54°C.

Technical Specifications

Property	Specification
Model / Manufacturer Code	MN2400
Designation	LR03 / AAA / R03 / MN 2400 / Micro / AM4 / E92
Chemistry	Alkaline (Procell Intense)
Voltage	1.50 V
Diameter	10.5 mm
Height	44.5 mm
Weight	~11 g each
Pack Size	Carton of 10 pcs
Expiry Date	2032 (10-year shelf life)
Operating Temperature	-20°C to +54°C

Procell Dual Portfolio

- **Procell Intense:** Optimized for high-drain professional devices (e.g., motorized or sensor-equipped equipment).
- **Procell Constant:** Geared toward low-drain devices with moderate, consistent power needs.

Switching between these two specialized battery lines may reduce overall battery consumption and lower business costs.
