Description

Duracell Procell Intense LR6 / AA Alkaline Battery (1.5 V) – 10-Pack

The **Duracell Procell Intense AA** battery is an industrial-grade power source tailored for professional high-drain devices. Ideal for equipment that demands rapid pulses of energy – such as electronic door locks, soap dispensers, or security cameras – these batteries outlast standard Procell Alkaline AA cells, reducing replacements and operational costs.

Key Benefits

- **Longer-Lasting Performance:** Optimized for devices with high or pulse power requirements, surpassing prior Duracell Procell Alkaline AA batteries.
- **Procell Dual Portfolio:**

ORDER CONFIRMATION

- **Procell Intense:** Specifically for high-drain equipment. Switch **Procell Constant** suited for lower drains, instead of use of last battery usage by up to 20%.
- **10-Year Shelf Life:** Guaranteed reliability, ensuring longevity in storage.
- **Durable Cell Design:** Manufactured using a superior approach to ensure robust, leak-resistant performance under challenging conditions.
- **Wide Operating Temperature Range:** Effective from -20°C up to +54°C.
- **Bulk Packaging & Date-Coding:** Facilitates cost savings, inventory management, and reduces waste.

Product Overview

Duracell Procell Intense LR6 / AA are enhanced alkaline batteries recommended for high-power or pulse power equipment in professional settings. Their extended lifespan translates into fewer replacements, thereby lowering overhead and maintenance costs for businesses.

Technical Specifications

Property	Specification
Model / Manufacturer Code	Procell Intense
Battery Type Designation	Alkaline (LR6 / AA / R6 / MN 1500 / Mignon / AM3 / E91)
Voltage	1.50 V
Diameter	14.5 mm
Height	50.5 mm
Weight	~24 g each
Operating Temperature	-20°C to +54°C
Pack Size	10 pcs. per carton
Shelf Life	10 years (expiry date: 2032)

Why Choose Duracell Procell Intense?

- **Reduced Costs:** Fewer replacements mean less downtime, lower labor costs, and decreased waste.
- **Consistency & Safety:** Rigorously tested to meet or exceed ANSI and IEC standards; individually date-coded for reliable inventory tracking.
- **Professional Collaboration:** Developed in tandem with device manufacturers to ensure optimal performance in enterprise-grade electronics.

For more information and detailed technical data, refer to the [Procell Intense AA Datasheet](#).
