## Description

The Earmor M16 Rail Mount Kit is designed to enhance the functionality of your helmet by enabling the attachment of communication sets to ARC rails. This kit is an ideal solution for professionals and outdoor enthusiasts who use active hearing protectors alongside helmets.

### Key Features:

- **Compatibility:** Designed for use with Earmor M31 and M32 Mark 3 series active hearing protectors.
- **Lightweight Design:** Made from durable and lightweight polymer material.
- **Helmet Compatibility:** Compatible with Ops-Core FAST MT helmets with ARC rails.
- **360° Rotation:** Each arm allows for full 360° rotation, giving you the flexibility to adjust the position of the headphones according to your needs.
- **Adjustability:** The mount kit allows for inclination adjustment and
