### Description

A rigid case for passive and active ear protectors, as well as regular headphones. Dimensions quietly accommodate folded headphones with a rigid headband. Made of nylon, closed with a double-sided zipper. Equipped with a convenient transport grip. Thanks to the microfiber lining, it better absorbs shocks and protects the contents from scratching. The S16 case is a proven and convenient way to protect hearing protectors during transport and storage.

Features:

- Rigid case for in-ear ear protectors or civilian headphones
- Accommodates headphones with rigid headband
- Made of nylon material
- Closes with a two-way zipper
- Lined with microfiber for better cushioning
- Convenient transport grip
