Description

Tested and certified ballistic protection lenses from Edge Tactical made of triple anti-scratch coated polycarbonate with unique permanent anti-fog technology for the Overlord goggles. The lenses are tested to EN166 F CE, ANSI Z87.1 + 2015 and MCEPS (Military Combat Eye Protection Systems) GL-PD 10-12. The lens filters 99.9% of UVA/UVB/UVC radiation

Edge Vapor Shield Technology:

The unique Edge Vapor Shield anti-fog technology is incorporated directly into the polycarbonate lenses to provide permanent anti-fog protection, outside and in! In conventional glasses, the anti-fog technology is only applied on one side and loses its effect due to wear and must be renewed by anti-fog spray or wipes.

Clear lenses:

The clear lenses are for indoor and outdoor activities and conditions. They
