## Description

Field Knife: The Field Knife Range is a series of high value for money multi-tools. Assembled with proven Eick-horn components in Solingen, a further critical addition was the cost structure. The FK's use 3.6 mm Eickhorn special steel with high blade flexibility and a protective antireflec-tion coating (to prevent the startling of game / corrosion protection). Proven GRP handles allow an ergonomic and a fatigue-free usage of the knives. The robust sheath with the wire cutting function rounds off the tool function. The sheath can be separated quickly from the textile belt part via a click-mechanism.

Stahl/Steel: 55Si7

Gewicht/Weight: 257-270 g Klinge/Blade: 17,3-18,3

Gesamtlänge/Overall length: cm 30,2-31,2 cm

Made in Germany.
