Description

StormCare Apparel Wash

The **StormCare Apparel Wash** is a specially formulated cleaner designed for **technical outdoorwear and equipment**. With a *pH neutral*, odourless, and eco-friendly formula, it gently removes dirt, sweat, grease, and contaminants that compromise **breathability** and **durable water repellency (DWR)**.

Unlike regular household detergents, this wash does not contain bleaches, enzymes, or brighteners that can damage performance fabrics. Suitable for both cotton and synthetic garments, including **Gore-Tex**, **Sympatex**, **eVent** and other high-performance membranes.

Available in **single-wash and three-wash bottles**, StormCare Apparel Wash revitalises garments, prolongs fabric life, and prepares items for reproofing with StormCare Proofer if needed.

Aim of the Product

To **clean technical garments safely** while preserving DWR coatings, ensuring

ORDER CONFIRMATION

garments remain breathable, waterproof, and ready for extended use. Ideal for both regular maintenance and preparing outerwear for reproofing.

Audience

- Outdoor adventurers and hikers
- Skiers, snowboarders, and climbers
- Motorcyclists using technical gear
- Anyone seeking eco-friendly garment care

Product Use

Shake the bottle and pour **75 ml of StormCare Apparel Wash** into the detergent compartment. For garments needing reproofing, add **StormCare Apparel Proofer** into the conditioner compartment. Wash following garment care guidelines at 30°C on a synthetic low spin or sport setting.

Drying: Drip dry for 20 minutes, then tumble dry or iron with a damp cloth if proofing was applied, to activate DWR performance.

Caution: Keep out of reach of children. Wash hands after use. Avoid contact with eyes and prolonged contact with skin.

Specifications

- **Sizes:** Single wash & three-wash bottles
- **Formula:** pH neutral, odourless, free from optical brighteners
- **Active Ingredients:** Naphthalene sulfonate, Anionic
- **Suitable for:** Cotton, synthetics, Gore-Tex, Sympatex, eVent
