Description

StormCare Apparel Twin Pack Care Kit

The **StormCare Apparel Twin Pack** is the all-in-one solution for cleaning and reproofing your **technical outerwear and equipment**. Containing both *Apparel Wash* and *Eco Proofer*, this twin pack is designed to restore **breathability** and **durable water repellency (DWR)** in just one wash cycle.

Rated as one of the best in independent testing, StormCare's formula is **pH neutral, PFC/PFAS/PFOA free, odourless, and gentle** on fabrics, making it safe for use on Gore-Tex, Sympatex, eVent, cotton, synthetics, and sleeping bags. Save time, water, and energy with Storm's revolutionary one-wash technology.

Aim of the Product

To **clean and reproof technical clothing in one wash cycle**, extending the life of garments while restoring waterproofing and breathability for reliable outdoor performance.

ORDER CONFIRMATION

Audience

- Outdoor enthusiasts and adventurers using waterproof apparel
- Skiers, climbers, motorcyclists, and trekkers
- Professionals working in wet and demanding conditions
- Eco-conscious users seeking **PFC-free garment care solutions**

Product Use

Add 1-2 garments into the washing machine (do not overfill). Pour **75 ml of Storm Wash into the detergent compartment** and **75 ml of Storm Proofer into the conditioner compartment**. Wash at 30°C using a synthetic or technical garment setting.

Drying: Allow garments to drip dry for 20 minutes, then tumble dry on low heat to activate the water-repellent treatment. Alternatively, iron with a damp cloth between garment and iron if tumble drying is not possible.

Caution: Keep out of reach of children. Avoid contact with eyes and prolonged skin contact. Wash hands after use.

Specifications

- **Contents:** 75 ml Wash + 75 ml Proofer (one wash cycle) or 225 ml Wash + 225 ml Proofer (approx. 3 wash cycles)
- **Formula:** Eco-friendly, PFC/PFAS/PFOA free
- **Properties:** Restores breathability & DWR, pH neutral, odourless
- **Suitable for:** Gore-Tex, Sympatex, eVent, cotton outerwear, synthetics, sleeping bags
- **Activation:** Heat curing (tumble dry or iron)

Key Benefits

- **2-in-1 cleaning and reproofing kit** - saves time, water & energy
- **Restores water repellency** with eco-friendly technology
- **Improves breathability** for maximum comfort during activity
- **PFC, PFAS & PFOA free** formulation - safe for you and the environment
- **Gentle to fabrics**, suitable for high-performance membranes
