Description

Padded wrap-around nylon belt that provides more comfort and stability. It has MOLLE webbings and attachment points all over it and harness suspender to carry heavy loads.

It is built from 1000 denier nylon and each seam is reinforced to ensure maximum resistance in times of high activity. Lightweight and mobile, ideal for occasions where maximum maneuverability is needed and as a supposition to bulletproof vests not equipped with pockets. Both the belt and the shoulder straps are equipped with springs, making this combination extremely flexible. The size is unique and adjustable through the front and back straps.

- Two adjustable sizes: S/M and L/XL
- Water repellent fabric
- 1000D nylon
- YKK buckles
- Molle system
