Description

DEFCON 5 "Storm" Plate Carrier

with ROC-40 Quick-Release System & Triple 5.56 Mag Pouch

Developed for Italy's amphibious landing troops, the **Storm Plate Carrier** combines *1000 Denier nylon* toughness with the patented **ROC-40™ quick-release buckles** for lightning-fast donning or doffing in critical moments. A detachable front panel carries three NATO-standard 5.56 × 45 mm magazines, while laser-cut MOLLE slots on all sides let you tailor your load-out.

Aim of the Product

To give professional soldiers, law-enforcement teams and demanding private users a **mission-ready plate carrier** that balances ballistic protection, modularity and rapid emergency release.

Target Audience

- Military & SOF units

ORDER CONFIRMATION

- Armed response / SWAT teams
- Private security contractors
- Serious shooters who require a durable, fully adjustable carrier with built-in magazine capacity.

Product Use

1. Insert SAPI/ESAPI or equivalent ballistic plates (front & rear pockets).
2. Shoulder on carrier and tighten *adjustable POM ROC-40* buckles until secure.
3. Configure MOLLE surfaces with pouches, hydration tubes (rings on padded straps) or IFF patches.
4. Detach the front magazine panel via YKK® clips / hook-and-loop for rapid change-over or specialist panels.
5. In emergency, pull either shoulder or side ROC tab to **instant-release** the vest.

Specifications & Technical Details

- **Material:** 1000 D 100 % nylon, reinforced stitching
- **Quick-Release:** ROC-40™ buckles (POM semi-crystalline thermoplastic)
POM resists wear, low moisture uptake, high mechanical strength - ideal for maritime use.
- **Included panel:** detachable triple 5.56 × 45 mm mag pouch
- **Plate pockets:** front / rear (ballistic plates not included)
- **MOLLE:** laser-cut on front, back, sides; removable front panel with YKK® clip & hook-loop
- **Interior:** padded, breathable mesh for heat management
- **Shoulder straps:** padded, adjustable, hydration tube loops
- **Carry handle:** reinforced rear drag handle
- **Weight:** 1.45 kg (empty)
- **Colour / Size:** one-size adjustable (shoulder & side straps) - colours as listed in options

Glossary / Extra Info

ROC-40™ buckle - "Rapid Open Connector", a single-hand, pull-to-release buckle rated for 40 mm webbing; POM acetal construction offers low friction and salt-water resilience.

Laser-cut MOLLE - slots are cut directly into laminate fabric, shaving weight versus traditional sewn webbing while remaining fully compatible with PALS pouches.
