Description

Ergodyne Squids 3700 Web Tool Tails - 2 lb

The Ergodyne Squids 3700 Web Tool Tails are the ultimate solution for tethering your tools at heights, ensuring safety and productivity on the job. Designed with ultra-strong nylon webbing and reinforced stitching, these tool connectors offer a reliable and secure way to prevent dropped tools, keeping your work environment safe.

Set of 5 pieces in different sizes.

Features:

- **Ultra-Strength Nylon Webbing:** Crafted from durable nylon, these tool tails provide exceptional strength, making them ideal for demanding work environments.
- **Fully Enclosed Plated D-Ring:** The plated D-ring offers a secure attachment point, ensuring your tools stay tethered during use.
- **High Tensile Strength Nylon Thread:** Built with high tensile strength thread, these tool tails are designed for maximum durability.
- **Web Catch with Double Stitching:** The web catch features double stitching, creating a more durable stopping point to prevent wear and tear over time.
- **Color-Coded Lengths:** Available in five different color-coded lengths, making it easy to identify and select the right length for your tools.
- **Maximum Safe Working Capacity:** Rated for a maximum safe working
