### Description

#### Ergodyne Tool Trap Fastening Tape – Non-Adhesive Sealing Tape

The Ergodyne Tool Trap Fastening Tape is a versatile, non-adhesive sealing tape designed for a wide range of applications, making it an essential addition to any toolkit. With its robust construction and excellent grip, this tape allows you to securely attach tools such as hammers, wrenches, or ratchets with ease.

#### Key Features:

- **Non-Adhesive & Silicone-Free:** The tape is non-adhesive and free from silicone, making it safe for various uses without leaving any sticky residue.
- **Heat Sealed & Secured:** This tape can be heat-sealed, enhancing its durability and ensuring that it stays in place during use.
- **Cutting-Resistant:** The tape is resistant to cutting, providing a reliable and long-lasting solution for securing your tools.
- **Excellent Grip:** The surface of the tape offers superior grip, ensuring that your tools stay securely fastened during use.
- **Maximum Load Capacity:** Depending on the length of the tape, the lanyard used, and the tool, the tape can hold up to 6.8 kg (15 lbs).
- **Dimensions:** The tape measures 3,7 meters in length and 2.5 cm (1 inch) in width, providing ample material for securing multiple tools with a single roll.
