Description

Windproof face mask / neck tube made from WINDSTOPPER. This close fitting design provides protection from the worst of winter wind chill - ideal for mountaineering, winter trekking or skiing when the wind can whip up snow and ice. There is a perforated fleece panel around the mouth area for better breathability. Pull up to cover the nose and mouth or wear lower down around the neck in less extreme conditions.

Specification

- Extremities performance type: Windproof
- WINDSTOPPER fabric
- Fleece panel around mouth area
- 100% Polyester

Brand country - Great Britain.
