Description

Fallkniven A2 Survival Knife, Lam. VG10 Steel, Leather Sheath

The **Fallkniven A2 Survival Knife** is the ultimate choice for those who demand reliability and performance in extreme conditions. Designed for serious expeditions, tough outdoor lifestyles, and professional use, this knife is engineered to withstand incredible strain and forces. Whether you're chopping, cutting, or striking, the A2's superior materials and craftsmanship ensure it performs flawlessly every time.

Key Features

- **Exceptional Durability:** Constructed with laminated VG10 stainless steel, the A2 combines a razor-sharp VG10 core with two resilient 420J2 steel slabs for unmatched strength and edge retention.
- **Convex Edge:** Offers superior cutting performance and is highly effective for chopping and striking tasks.
- **Reliable Grip:** Ergonomic Kraton handle ensures a secure and comfortable grip, even in harsh conditions.
- **High-Quality Sheath:** Comes with a strongly-sewn leather sheath for safe and convenient storage.
