Description

Fallkniven CMT – Sierra Utility Knife, Lam. CoS Steel

The **Fallkniven CMT Sierra Utility Knife** is the perfect kitchen tool for precision tasks. With its sleek design, narrow blade, and very pointy tip, it excels in fine chopping of vegetables, precision cutting, and handling simpler tasks with ease. Ideal for home chefs and professionals who value precision and craftsmanship.

About the CMT Series

The **CMT (Character, Morse, Telephony)** series represents one of the most exclusive chef's knife collections ever crafted. Leveraging over three decades of experience in knife steel technology, these knives feature laminated cobalt steel (Lam. CoS) for outstanding strength and edge retention. A convex edge enhances sharpness and durability, making the knife highly effective and long-lasting.

The Sierra Utility Knife boasts a beautifully crafted maroon Micarta handle, ensuring durability and a secure grip. A welded and polished cross-guard enhances hygiene and aesthetics. Entirely handcrafted, these knives are a testament to meticulous design and exceptional quality. Each knife is delivered in a solid wood gift box, making it a valuable addition to any kitchen.

- **Handle Material:** Maroon Micarta
- **Weight:** 110 g (knife only)
- **Blade Length:** 115 mm
- **Blade Thickness:** 2 mm
- **Total Length:** 225 mm

Care Instructions

To maintain the quality and longevity of your CMT Sierra Utility Knife:

- Avoid using it on frozen meat or bones to prevent damage.
- Hand wash with mild detergent and dry immediately. Do not use a dishwasher.
- Store the knife in its gift box or a safe place to protect the blade.

Sharpening Recommendations

For maintaining the sharpness:

- Use a **diamond sharpening steel** for fast and effective sharpening.
- For edge tuning, a **ceramic sharpening steel** is recommended for a razor-sharp finish.
- A combination of diamond and ceramic sharpeners provides the best results and extends the knife's lifespan.
