Description

Fallkniven F1L3Gbm Next Generation Hunting Knife (Black Micarta), 3G Steel

The **Fallkniven F1L3Gbm** is a limited-edition, collector-grade hunting knife with exceptional craftsmanship and design. This 2017 special model features a stunning black Micarta handle, a 3G laminated powder steel blade, and a detailed laser engraving of the JAS 39 Griffin NG (Next Generation) alongside Fallkniven's iconic oval logo.

The blade's full tang construction, convex edge, and premium 3G steel offer unmatched strength, edge retention, and durability, making this knife not just a collectible but a fully functional tool. The handle medallion, crafted from nickel silver and coated with 24k gold, adds a luxurious touch to this exquisite knife.

The knife is delivered in an all-black leather sheath and packaged in a neat gift box, making it an ideal addition to any collection or an outstanding gift for knife enthusiasts.

Features

- **Blade Material:** Laminated 3G steel for exceptional edge retention and corrosion resistance.
- **Handle:** Made from premium black Micarta for a comfortable and secure grip.
- **Edge:** Convex grind for superior cutting performance and durability.
- **Tang:** Full tang construction for maximum strength and stability.

Historical Significance

The F1L3Gbm traces its origins to 1987 when Fallkniven was tasked with developing a survival knife for Swedish Air Force pilots. This iconic design has since evolved to become a benchmark for survival knives, combining the highest standards of performance, durability, and ergonomics. The detailed craftsmanship and technical excellence of the F1L3Gbm make it a true collector's piece and a testament to Fallkniven's legacy. Brand Country Sweden.
