Description

We have the pleasure of presenting our new cutlass, a Modern Bowie. It's about the world's strongest, sharpest, safest bowie with a very powerful blade in our famous laminated cobalt steel. The knife comes with a very well-dressed sheath in black leather and in an execution that makes it fit well on the belt whether you're standing or sitting. The knife is delivered in a strong, waterproof plastic box with a DC4 whetstone included.
