### Description

#### **Fallkniven NL5LCoS Idun Hunting Knife, Lam. CoS Steel**

The **Fallkniven NL5LCoS Idun Hunting Knife** from the renowned Northern Light Series is a masterpiece of craftsmanship, blending beauty, durability, and exceptional performance. Named after Idun, the Norse goddess of fertility and eternal youth, this knife is designed for experienced hunters and knife enthusiasts who demand top-tier quality. With a laminated blade forged from Cobalt Special (CoS) steel, it offers unparalleled edge retention, strength, and resilience, making it ideal for demanding tasks.

#### **Features**

- **Laminated CoS Steel Blade:** Combines a CoS core for exceptional edge retention with tough 420J2 stainless steel sides for resilience and durability.
- **Convex Edge:** Handcrafted for superior cutting performance and edge strength, ensuring reliability for precision tasks and heavy-duty use.
- **Oxhide Leather Handle:** Offers a rugged, ergonomic grip that ages elegantly with a rich brown patina over time. Unaffected by water, oil, or solvents.

## The Story of Idun

In Norse mythology, Idun was the goddess of fertility and the guardian of the apples that granted the gods eternal youth. She symbolized love, rebirth, and vitality. The NL5LCoS knife reflects these qualities with its robust design, combining elegance with functionality. It is a perfect hunting companion, offering precision and control for the seasoned hunter.

## Why Choose the NL5LCoS Idun?

The NL5LCoS Idun Hunting Knife stands out with its laminated CoS steel blade, offering unmatched edge retention and strength. Its handcrafted convex edge delivers superior cutting power, while the oxbone leather handle ensures a secure grip. Whether you're out in the field or adding to your knife collection, this knife is a testament to exceptional Swedish craftsmanship.

## Care Instructions

To maintain your NL5LCoS Idun knife, clean and dry the blade after use and apply a light coat of oil to prevent corrosion. The leather handle may develop small cracks when dried out, but these will disappear with regular use. For sharpening, use a diamond whetstone or sharpening steel such as the Fallkniven DC4.
