Description

Fallkniven Phantom Anniversary Folding Knife, Elmax Steel

To celebrate its 40th anniversary on March 12, 2024, Fallkniven introduces the limited edition Phantom Anniversary folding knife. Combining advanced materials and exquisite craftsmanship, this knife is a true collector's item and a reliable tool for practical use.

Premium Features

The Phantom features a blade made from Swedish Elmax powder steel, known for its superior strength, edge retention, and performance. Its convex-shaped edge ensures exceptional cutting ability. The handle is crafted from legally harvested desert ironwood from the US Southwest, a dense and durable wood with a unique characteristic—it sinks in water due to its density of 1.2 kg/dm³.

Design and Craftsmanship

The design follows the Scandinavian principle of "Form Follows Function," focusing on clean lines and practicality. The straightforward construction emphasizes usability without unnecessary embellishments. A circular nickel silver medallion featuring the Three Crowns, Sweden's Small National Coat of Arms, adds a touch of elegance and significance. As a Purveyor to the Royal Court of Sweden since 1999, Fallkniven incorporates this emblem to mark its dedication to excellence.

Care and Maintenance

To ensure optimal performance, the blade should always remain sharp, dry,

and clean. Avoid using oil or grease around the blade bolt. The blade's inertia can be adjusted using a T10 nut, but thread sealant is recommended to prevent loosening. Spare parts, such as bolts and spacers, are available if needed.

Sheath and Presentation

The Phantom comes in an elegant gift box with an exclusive leather sheath. The sheath features a belt clip, allowing for both horizontal and vertical carrying options, making it both functional and stylish.
