Description

Fallkniven PXLbs - Juma Blue Snake Exclusive Folding Knife, Elmax Steel

The PXLbs is a modern, slightly larger folding knife designed for everyday carry (EDC). Featuring an adjustable blade made from high-quality Swedish Elmax powder steel, it offers exceptional sharpness retention with a hardness of HRC 61-62. The handle is made from stainless steel with stunning Juma Blue Snake scales, combining durability with a striking appearance.

Premium Features

Juma is a cutting-edge material crafted from a blend of mineral base materials bound with resin, resulting in a highly stable and durable handle. Its unique pattern and resistance to cleaning agents ensure longevity and visual appeal. The PXLbs is equipped with a strong liner-lock system, allowing one-handed operation, and includes a removable clip for safe and convenient carry.

ORDER CONFIRMATION

The PXLbs folding knife combines elegance and practicality, making it a versatile choice for various tasks. Its convex edge provides superior cutting performance, and the adjustable blade bolt ensures customizable blade inertia. Easy to clean and maintain, this knife is built to last while delivering exceptional performance.

Accessories

A sheath is not included but is available separately. The PXLec Cordura pouch is compatible with all PXL models.
