### Description

## Fallkniven PXLgd - Juma Golden Dragon Exclusive Folding Knife, Elmax Steel

The PXLgd is a modern, slightly larger folding knife designed for everyday carry (EDC). Featuring an adjustable blade crafted from Swedish Elmax powder steel, it delivers exceptional edge retention with a hardness of HRC 61-62. The handle is made from stainless steel with elegant Juma Golden Dragon scales, combining durability with unique aesthetics.

### Premium Features

Juma is a state-of-the-art material formed from a blend of mineral base components bound with resin, resulting in a stable, durable handle. Its striking pattern and resistance to cleaning agents ensure long-lasting beauty. The PXLgd is equipped with a robust liner-lock system, allowing for smooth one-handed operation, and includes a removable clip for safe and convenient carry.

### Design and Functionality

The PXLgd combines functionality with refined design, making it suitable
