Description

Fallkniven TF2 - Taiga Forester Hunting Knife, Lam. CoS Steel

The **Fallkniven TF2 - Taiga Forester** is a high-performance hunting and all-round knife designed for demanding environments. Its blade, crafted from laminated cobalt steel (Lam. CoS), offers exceptional durability and sharpness. The ergonomic Thermorun handle provides a secure grip, regardless of weather conditions, making this knife an ideal choice for tough outdoor tasks.

Features

- **Blade Material:** Laminated cobalt steel for superior sharpness and stability.
- **Handle Material:** Thermorun rubber for an excellent grip in any weather.
- **Edge:** Convex-shaped for maximum strength and wood-sharp precision.
- **Tang:** Broad tang construction for increased durability and balance.
- **Sheath:** Secure Zytel sheath with a unique locking mechanism for safe storage and transport.

Secure Sheath System

ORDER CONFIRMATION

The TF2 features a robust Zytel sheath with a specially designed locking system, ensuring the knife remains securely in place under any condition, including wind, rain, sand, or snow.

Exceptional Handle Grip

The Thermorun handle offers unmatched grip and comfort, even in wet or cold conditions, making the TF2 a reliable tool for hunting and outdoor activities.

Care Instructions

- Clean the blade and handle with warm water and mild soap. Dry thoroughly before storing.
- Use appropriate sharpening tools such as the Fallkniven DC4 whetstone for maintaining the edge.
- Avoid exposing the knife to extreme conditions that could damage the handle or blade.
