### Description

## Fallkniven TF2 - Taiga Forester Hunting Knife, Lam. CoS Steel

The **Fallkniven TF2 - Taiga Forester** is a high-performance hunting and all-round knife designed for demanding environments. Its blade, crafted from laminated cobalt steel (Lam. CoS), offers exceptional durability and sharpness. The ergonomic Thermorun handle provides a secure grip, regardless of weather conditions, making this knife an ideal choice for tough outdoor tasks.

### Features

- **Blade Material:** Laminated cobalt steel for superior sharpness and stability.
- **Handle Material:** Thermorun rubber for an excellent grip in any weather.
- **Edge:** Convex-shaped for maximum strength and wood-sharp precision.
- **Tang:** Broad tang construction for increased durability and balance.
- **Sheath:** Secure Zytel sheath with a unique locking mechanism for safe storage and transport.

### Secure Sheath System

## **ORDER CONFIRMATION**

---

The TF2 features a robust Zytel sheath with a specially designed locking system, ensuring the knife remains securely in place under any condition, including wind, rain, sand, or snow.

### **Exceptional Handle Grip**

The Thermorun handle offers unmatched grip and comfort, even in wet or cold conditions, making the TF2 a reliable tool for hunting and outdoor activities.

### **Care Instructions**

- Clean the blade and handle with warm water and mild soap. Dry thoroughly before storing.
- Use appropriate sharpening tools such as the Fallkniven DC4 whetstone for maintaining the edge.
- Avoid exposing the knife to extreme conditions that could damage the handle or blade.

### **Additional Information**
