Description

Fallkniven Marine Tuf-Glide (MTG) Quick Drying Rust Inhibitor/Lubricant

Fallkniven Marine Tuf-Glide™ is the ultimate solution for protecting your folding knives and tools in highly corrosive environments. Designed by Sentry Solutions, it provides long-lasting rust protection and lubrication while leaving a dry surface that resists dirt, dust, and debris. Perfect for saltwater exposure, high humidity, and everyday use in harsh conditions.

Features

- **Quick-Drying Formula:** Applied wet but dries quickly, leaving a dry surface that doesn't attract contaminants.
- **Superior Protection:** Prevents rust, corrosion, fingerprints, and dullness on all metals, surfaces, wood, and plastics.
- **Enhanced Performance:** Ensures smoother operation of folding knives, firearms, and tools.
- **Temperature Resistant:** Maintains performance in extreme cold or heat.
- **Moisture Displacement:** Effectively displaces water to protect against

corrosion.

- **Safe Use:** Non-toxic and safe for wood and plastic (not recommended for direct food contact).

Specifications

- **Volume:** 14 ml / 0.5 oz
- **Application:** Needle applicator for precise use
- **Made in:** U.S.

Usage Instructions

1. Apply Marine Tuf-Glide™ to the desired surface using the needle applicator.
2. Allow it to dry completely, leaving a protective, dry lubricant layer.
3. Reapply as needed, particularly after exposure to saltwater or heavy use.
4. For additional protection, use with a Marine Tuf Cloth (moisturized with Tuf-Glide™).

Perfect for:

- Folding knives
- Outdoor tools
- Firearms
- Marine equipment
- High-humidity environments
